Dessert Reception, Fine Water Tasting and Silent Auction

Come join us as we sample some of the most unique and finest bottled waters from around the world while helping to raise awareness of Sjögren's.

One of the hallmark symptoms of Sjögren's is dry mouth, so what better way to raise funds for Sjögren's research and education than to participate in a fine water tasting event!

All of the proceeds from this event will go directly to support the work of the Sjögren's Syndrome Foundation.

For more information on joining our planning committee, sponsoring this event, or to learn how to attend please call 1-800-475-6473 ext. 221
