

Dear Sjögren's Patient:

We are pleased to share information about a new clinical research study already enrolling in your area for individuals with Sjögren's. Your participation in this study could help future patients worldwide and I hope you will consider learning more.

This new study, CFZ533B2201, is looking for individuals diagnosed with Sjögren's. Patients can be male or female, age 18 years or older. Patients will be able to continue taking their Plaquenil or steroids with some restrictions while in the study.

**For more information and to see if you may be eligible to participate please contact:**

Dr. Domenick Zero, Principal Investigator  
Indiana University  
Oral Health Research Institute  
415 Lansing Street  
Indianapolis, IN 46202-2876  
Email: [ds-ohri@iupui.edu](mailto:ds-ohri@iupui.edu)

**Call (317) 274-3306 ask for Jennifer Tran, Clinical Trial Coordinator or call (317) 274-3740.**

On behalf of the millions of Sjögren's sufferers in this country, I thank you for taking time to learn more about this study.

Sincerely,

A handwritten signature in black ink that reads "Steven Taylor".

Steven Taylor  
Chief Executive Officer
