

Dear Sjögren's Patient:

We are pleased to share information about a new clinical research study already enrolling in your area for individuals with Sjögren's. Your participation in this study could help future patients worldwide and I hope you will consider learning more.

This new study, CFZ533B2201, is looking for individuals diagnosed with Sjögren's. Patients can be male or female, age 18 years or older. Patients will be able to continue taking their Plaquenil or steroids with some restrictions while in the study.

For more information and to see if you may be eligible to participate please contact:

Dr. Theresa Lawrence Ford, Principal Investigator
North Georgia Rheumatology Group
500 Medical Center Blvd., Suite 290
Lawrenceville, GA 30046

Contact Study Coordinator at: (770) 822-1090 ext. 0 (ask to speak with Ianna) or email ianna@ngrgroup.net

On behalf of the millions of Sjögren's sufferers in this country, I thank you for taking time to learn more about this study.

Sincerely,

A handwritten signature in black ink that reads "Steven Taylor".

Steven Taylor
