

Dear Sjögren's Patient:

We are pleased to share information about a new clinical research study already enrolling in your area for individuals with Sjögren's. Your participation in this study could help future patients worldwide and I hope you will consider learning more.

This new study, CFZ533B2201, is looking for individuals diagnosed with Sjögren's. Patients can be male or female, age 18 years or older. Patients will be able to continue taking their Plaquenil or steroids with some restrictions while in the study.

For more information and to see if you may be eligible to participate please contact:

Dr. Nora Sandorfi, Principal Investigator
Perelman Center for Advanced Medicine
Penn Sjögren's Center and Penn Scleroderma Center
3400 Civic Center Blvd.
Philadelphia, PA 19104

Contact Sarah Gillespie, Study Coordinator at (215) 614-1840 or email:
