

Dear Sjögren's Patient:

We are pleased to share information about a new clinical research study already enrolling in your area for individuals with Sjögren's. Your participation in this study could help future patients worldwide and I hope you will consider learning more.

This new study, CFZ533B2201, is looking for individuals diagnosed with Sjögren's. Patients can be male or female, age 18 years or older. Patients will be able to continue taking their Plaquenil or steroids with some restrictions while in the study.

For more information and to see if you may be eligible to participate please contact:

Dr. Stephen Lindsey, Principal Investigator
Ochsner Health Center - Baton Rouge
9001 Summa Avenue
Baton Rouge, LA 70809

Call Johanna Veal Primary Study Coordinator at: (225) 761-5607 or email:
jveal@ochsner.org

On behalf of the millions of Sjögren's sufferers in this country, I thank you for taking time to learn more about this study.

Sincerely,

A handwritten signature in black ink that reads "Steven Taylor".

Steven Taylor
Chief Executive Officer

Note: You received this notice because of your participation and/or interest in the Sjögren's Foundation. This research notice is for information only it does not represent an endorsement of this study but only makes you aware of this research project for your participation if you choose.
