

Dear Sjögren's Patient:

We are pleased to share information about a new clinical study in **dry eye** is enrolling in your area for individuals with Sjögren's. Your participation in this study could help to make a difference in the future for Sjogren's patients worldwide and I hope you will consider learning more.

This study, **NCT04835623**, is looking for individuals diagnosed with Sjögren's and have complaints of dry eyes. Patients can be male or female and between the ages of 18 and 70 years of age. Patients will be able to continue taking their Plaquenil or steroids with some restrictions while in the study. The duration of the study is approximately 12 weeks. You will be reimbursed for each completed visit.

For more information and to see if you may be eligible to participate please contact:

**Dr. J. Rocco Robilotto, Principle Investigator**  
**Center for Ophthalmic and Vision Research**  
**Eye Associates of New York**  
**133 E 54th St, Suite 200**  
**New York, NY 10022**

**Contact Tracy Tse, Clinical Trial Coordinator at: (212) 650-4888 or [ttse@ea-ny.com](mailto:ttse@ea-ny.com), or complete an online survey at [www.ea-ny.com/research](http://www.ea-ny.com/research)**

On behalf of the millions of Sjögren's sufferers in this country, I thank you for taking time to learn more about this study

Sincerely,

A handwritten signature in black ink that reads "Sheriese DeFruscio".

Sheriese DeFruscio  
Vice President of Corporate Relations
