DECEMBER		No Meeting

Due to COVID-19 restrictions and concerns, we are meeting virtually so that we can stay safe and yet still have a chance to support each other and share useful information. When things return to normal, or close to it, we will, again, conduct our meetings face to face. We learn so much from each other!

Everyone is welcome. Our meetings are usually held once a month, where everyone is given a chance to share and ask questions. The meetings are a wealth of information and encouragement. We have no dues or fees, just a chance to share. However, I do recommend that you join The Sjogren’s Foundation where you will receive a tremendous amount of support and a publication “Conquering Sjögren’s.”
