

Connect with the Sjögren's Foundation

10701 Parkridge Blvd. Suite 170 • Reston, VA 20191
301-530-4420 • (f) 301-530-4415 • www.sjogrens.org

The Sjögren's Foundation is the only national non-profit organization solely dedicated to fighting Sjögren's. Started in 1983, the Foundation has grown to an organization with over 100,000 supporters. The Foundation leads the way in educating the professional and general public about Sjögren's. We also advocate for patients' rights and increased funding for research.

The Sjögren's Foundation is working hard to spread awareness and help healthcare professionals get the most up-to-date information on Sjögren's. We invite you to join our growing network of professionals who are committed to being at the forefront of understanding this disease and the best ways to diagnose, manage and treat it! By signing up for our professional newsletter- *Sjögren's Quarterly*, sharing our brochures with patients and talking to colleagues about the disease, you are leading the way!

The benefits of connecting with the Sjögren's Foundation:

- *Sjögren's Quarterly*: This free newsletter, created just for Healthcare Providers, includes the latest information on Sjögren's research, treatments and products.
- *Free brochures for your office*: The Foundation produces a series of brochures on Sjögren's and its symptoms. The Foundation can provide your office with a free supply of these to distribute to your patients. Also visit www.sjogrens.org where you can download printable patient fact sheets for distribution.
- *Access to the latest information on Clinical Practice Guidelines and Clinical Trials!* Providing us with your email address will allow us to quickly send you information on guidelines and trials
- *Complimentary conference attendance*: The Foundation organizes an annual National Patient Conference, for patients, students and clinicians to learn more about Sjögren's. Complimentary registration available to medical students, fellows and clinicians.
